# Fresh-O-Matic®

Discover why no professional kitchen can be complete without the Lincoln *Fresh-O-Matic* food steamer. The *Fresh-O-Matic* is the perfect solution for refreshing a wide variety of precooked or frozen foods. The exclusive superheated steam heats or re-heats baked goods, meats, seafood, fruits, vegetables, sandwiches, pasta and more. Meats come out with that just-sliced texture and taste, and buns regain their just-baked, taste-tempting freshness. The new push button control makes operating the *Fresh-O-Matic* easy too! Simply plug it in, add distilled water and push a button - no special wiring!
