

SHOP GRINDER

VTA 6S

“The most powerful shop grinder”

VTA 6S3
VTA 6S13

The professional art of grinding
since 1924

VTA 6S

The most powerful shop grinder:

- superb coffee quality because of extra fine and homogeneous grinding – as well for espresso and Turkish quality
- cool grinding due to integrated motor cooling or additional ventilation as an option

High capacity:

- high speed and reliable grinding up to 2750 g per minute

Proven design:

- classic MAHLKÖNIG design, symbolises quality and consistency
- grinder housing varnished in any colour

Extras:

- different grinding discs for regular coffee, espresso and Turkish available
- fast removable upper part allows easy cleaning
- large hopper
- raised outlet height, foot extension and frequency converter
- tungsten carbide discs offer up to ten times longer life time
- also available in self-service version
