

1. Start

Start with a 2-3 or 4 doors Eco-Line (plug ready or remote).
Choose between a solid anthracite or a solid stainless steel option and choose the type of machine unit.

2. Examples

Below a selection of configuration possibilities which you can make with the new drawer segments.

3. Make your own configuration

Make a configuration with your Eco-Line and add drawer segments instead of solid doors.

NEW

2

DOOR / STANDARD
1 x door

3
