Enodis

New Grill Pan

Cooked To Perfection With Grill Marks

Sample Times

4 x 150g Fresh, Grilled Salmon	190 seconds
6 x 110g Shrimp Kebabs	75 seconds
8 x 130g Grilled Chicken Breast	210 seconds
6 x 110g Croque Monsieur	45 seconds
2 x 250g Sirloin Steak, medium rare	145 seconds
3 x 250g Roasted Vegetables	180 seconds

KEY BENEFITS

- Flexible
Side-launching energy system allows use of metal pans
- Saves time
Frame design allows impinged air to heat grill pan, creating authentic grilled finish from cold
- Easy to clean
Excess oil collects in removable grill pan carrier frame; also reduces splattering in cavity
- Hard wearing
Grill pan is treated with a durable, non stick finish
- Safe handling
Light weight frame with easy grip handles
